9/23/03	A02-11-057	City of Point Arena Water Works, Inc., for an order authorizing a rate increase in rates subject to refund producing additional annual revenues of \$70,137 or 56.9% for the test year 2002.
---------	------------	--

**Summary:** On September 19, 2003, Leslie Dahlhoff, mayor of the City of Point Arena, met with Cmmr. Lynch in San Francisco. Also present was Tom Long, advisor to Cmmr. Lynch. Written materials (attached to the notice) were used. Dahlhoff expressed appreciation for the alternate proposed by Cmmr. Lynch and stated that she prefers it to the proposed decision. Further, Dahlhoff discussed the impact of legal expenses that will be passed on to the ratepayers and how it is a major deterrent to ratepayer litigation of rates that are unreasonable and unjustified in the case of small water companies. Dahlhoff also described fundamental problems of Point Arena Water Works and its operations such as: it charges the highest rates in California; the customers have experienced a 152 percent increase in one year; Point Arena is a poor community where 54 percent of the households earn less than \$21,600 per year; and the company's operational problems include numerous on-going tariff violations.
